----	--------------------	--	--	--	---	---	-----	--	-----

Dense fog was a significant contributing factor to two accidents. The first accident occurred on the southeast side of Beavercreek in Greene county. At the intersection of Factory Road and State Route 35, one person was killed and one injured when a vehicle failed to stop at a red light. The second accident occurred in Huntsville in Logan county where one person was killed and two injured. F47VE, F73VE
